Hi Moises,

Happy Friday, and thank you for sending over your anticipated Kaboom! project timeline.

I am writing to let you know that I will be moving on from the Mayor's Office to a role at the City of Long Beach in the City Manager's office. This means that moving forward, Omar Gonzales (copied) will administer the Let's Play Everywhere LA program on behalf of the City of LA. I have briefed Omar on the status of your 'Plaza de la Musica' project, and I can't think of anyone better to guide the project through to completion. His contact info is below:

* Omar Gonzales, Policy Associate, Neighborhood Services; omar.gonzales@lacity.org [213.922.9784](mailto:omar.gonzales@lacity.org)

It has been fantastic working with you and I truly appreciate all of your hard work promoting opportunities for play throughout the City. I can't wait to check out the Kaboom project when it is completed.

All the best,
Ryan
